

PARLEY

The two heads of state are scheduled to parley tomorrow to discuss a solution to the current situation.

CHATTER

The young girls chattered among themselves while the adults prepared dinner.

BABBLE

The baby is babbling happily in her cot; she is talking to her teddy bear.

PALAUER

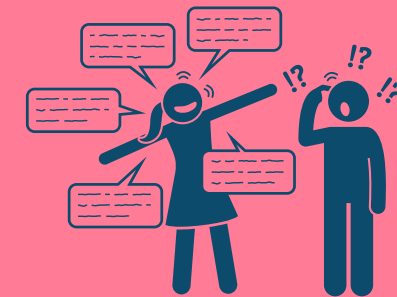

The foolish young man palavered until I was sick of hearing him.

TALK

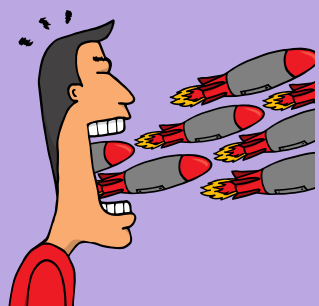

PRATTLE

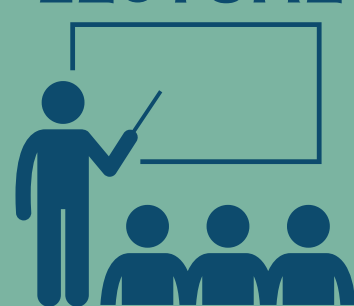

Stop prattling and tell us what happened.

RANT

Peter has clearly had a bad day, she's been rating for half an hour now without stopping.

LECTURE

Peter lectured students at Harvard.

JABBER

He was jabbering away and I wasn't listening.
